DAWID BUGAJSKI

FRONT-END DEVELOPER

With over a year of experience as a Frontend Developer and a background in web development, I am passionate about creating clean, user-friendly interfaces. After starting my journey at WeNet, I now refine my skills at Emotivo, focusing on frontend development and continuous learning. Visit dbugajski.com to see my portfolio and projects.

EXPERIENCE

○ Frontend Developer

EMOTIVO | 07.2023 - PRESENT

As a Frontend Developer at Emotivo, I work on diverse projects, allowing me to develop skills across different technology stacks. I focus on implementing features, enhancing user interfaces, and optimizing user experiences. I also occasionally handle backend tasks, contributing to full-stack development.
